
Meeting was called to order at 7:00 PM by Todd Underwood.

1. Unanimously approved the minutes for the November meeting.

2. Public Comment: None

3. Old Business: All EAC receipts have been turned in for reimbursement and we have spent all but a couple dollars of our 2019 budget.

4. New Business: Members reminded to consider new projects to discuss at first meeting of year for January 2020.

5. Subcommittee Reports

   - KU Environmental Committee - Todd Underwood (chair)
     - No further information available about Legionella bacteria detected in the water systems of eight buildings on the Kutztown University campus.

   - Community Education – (Chair open)
     - No report

   - Air & Water Quality - Jeri Carroll-Sievert (chair)
     - No report.

   - Recycling Program
     - Members discussed idea of more trash bins on Main Street as a potential initiative for 2020.

   - Parks & Trail - Todd Underwood (chair)
     - White Oak garden – pin flags marking plants aren’t needed anymore and will be removed in the next week.

     - North Park - Bird feeders are up at North park and will be filled with seed purchased with EAC funds through the winter. At North Park, about 15 invasive Norway Maples along the creek were girdled and hand painted with herbicide. Todd Underwood met with Brian Bailey to discuss dead tree removal along the Sacony Trail. Todd will represent the EAC at the Public Works meeting on December 2, 2019 regarding the tree removal. Todd also discussed dumping of debris with High School Principal Barry
Flicker who promised to educate the custodial workers about where to properly dispose of branch and leaf debris.

6. Meeting adjourned at 7:36PM
