Present: Commission Members – Patrick Boos, Keith Leinbach, and Todd Underwood.

Meeting was called to order at 7:03 PM by Todd Underwood.

1. Approved the minutes for the January meeting (Keith Leinbach motion, Patrick Boos seconded motion, unanimous approval).

2. Public Comment: Phila Back asked if there was any update on the quarry and the conditional water agreement. We had no update or new information to share.

Warren Shaub attended because he has applied to be a member of the EAC. He is interested in stormwater management issues and reducing trash problems in the borough.

3. Old Business: None

4. New Business:

5. Subcommittee Reports

- KU Environmental Committee - Todd Underwood (chair)
  - No report.
- Community Education -
  - No report
- Air & Water Quality -
  - Members briefly discussed climate protection initiative brought up by Arabel Elliot at last meeting. Keith Leinbach will look into updating the EAC’s greenhouse gas inventory from several years ago and conducting a new inventory for the past couple of years.
- Recycling Program –
  - No report
- Parks & Trail - Todd Underwood (chair)-
  - Sacony Creek cleanup planned this weekend by KU Outdoors Club.
  - EAC seeking clarification on borough application for a Greenways, Trails and Recreation Program Grant through the PA Department of Community and Economic Development. Borough manager indicated the grant we were all working toward was not feasible after he spoke with a DCNR representative. T. Underwood noted this is a DCED grant and not a DCNR grant so they probably talked about the wrong grant program. T. Underwood asked for clarification on this but has yet to get a reply.
  - T. Underwood ordered 300 native tree seedlings (Red Oak, White Pine, and Washington Hawthorn) from the Game Commission’s Howard
Nursery. KU environmental biology students will plant these in North Park in April.
  o T. Underwood and P. Boos planning to install 12 new bluebird boxes at the Sacony Trail and North Park in March.

6. Meeting adjourned at 7:40PM
