In-person meeting at Kutztown Borough Hall: EAC Members: Todd Underwood, Kathy Kelly, Warren Shaub and guest Fred Engelhardt

1. Meeting was called to order by Todd Underwood at 7:00 pm.
   Old Business
2. Minutes from August and September were approved.
   New Business
3. Subcommittee Reports
   a. Community Education
      • No updates.
   b. Parks and Trail
      • Todd reported that he has done some invasive plant removal in the area of the pool and Saucony Creek.
      • Discussion on the DCNR sign initiative, “Nature for All”. Why do we need a specific sign for welcoming? We will revisit during Nov mtg.
      • Warren is going to look into getting a trash can/dumpster and a bench at Basin Street in proximity to the creek trail. Also, he will talk to Brian Baily about getting the path completely redone and paved.
   c. Water and Air Quality
      • Keith Leinbach reported that he still has not been successful in obtaining greenhouse data from the Boro.
      • Dust Ordinance review generated much discussion.
         o Warren reported that Sodium Laurel Sulfate, a cleaning agent and surfactant commonly used ingredient in cleaning and personal care products is used on the race track as a dust palliative.
         o Numerous changes were recommended in regards to the proposed ordinance.
         o Warren motioned that we forward our changes and recommendations. Keith 2nd the motion.
         o Todd to summarize and submit to Borough Council.
         o Warren made a suggestion to set up an air quality measurement station to quantify the dust particulates from the race track. KK will investigate how best to do this since this is a common EPA Air Quality measurement.
   d. Recycling and Trash
• We are still awaiting feedback on the letter Warren drafted to the Kutztown Borough Council, Public Safety and Community Development Committees concerning trash and renters. Warren and Todd to follow up.

Meeting ended at 8:10 pm
