Long Time Emergency Management Coordinator Retires

On August 21, 2012, Ken Kern announced his retirement as the Borough’s Emergency Management Coordinator (EMC) – a post he held since August 9, 1994.

Although Ken grew up in Kutztown, his service in the Navy and his professional career took him away for quite some time. When he decided to retire, after 44 years with Suburban Propane Gas Company, Ken knew he wanted to move back to his hometown. It didn’t take long before he got involved with the community – first joining the Borough Planning Commission in 1992 (serving until 2004) and then being appointed as Emergency Management Coordinator in 1994.

According to the Commonwealth of Pennsylvania Emergency Management Handbook, an Emergency Management Coordinator is appointed to oversee planning, training and preparation during non-disaster times, and to act as the coordinator in the Emergency Operations Center during times of disasters. The responsibilities placed on this individual are significant. The EMC is the primary agent for the elected officials and is invaluable when disaster strikes.

Ken took this responsibility very seriously and he was invaluable to the Borough because he believed that “everything needed to be in place for things to run smoothly during problem times.” When asked why he chose to retire, Ken smiled and said, “At 87, it was time to move on. I’m ready to be retired and do some things at home.”

Filling this vital role was very important to Ken, and he is extremely happy that Councilman Mac Eidle accepted the challenge. Ken also praised the Emergency Management support staff, Edna Kramer and Suzy Barron, for being “faithful volunteers.” He has the utmost confidence that Mac, Edna and Suzy will keep things moving in the right direction.

Ken dedicates his wife Ruth for her support in all of his endeavors through the years. They have three children: Renee, Wayne and Ruth; four grandchildren and two great-grandchildren. Now that Ken is fully retired, he and Ruth plan to spend more time enjoying their home and family.

Thank you for your many contributions to the Borough, Ken, and best wishes for a healthy and happy retirement!

Employer News

On November 30, 2012, Public Works Superintendent Norman Milnes retired after 18 years with the Borough. Best wishes for a happy retirement, Norm!

On December 18, 2012, Borough Council appointed Steve Diehl as Electric Superintendent and Brian Bailey as Public Works Superintendent. Steve and Brian have been employed by the Borough for many years and they each bring a lot of experience to their positions. Congratulations, Steve and Brian!

THANK YOU TO OUR EMPLOYEES AND VOLUNTEERS FOR THEIR DEDICATED SERVICE!

Above and beyond... On October 29, 2012, Hurricane Sandy swept through the Borough, downing trees and power lines. Our Electric, Telecom, Water, Sewer, Refuse, Public Works and Police employees, as well as the Emergency Management staff and the Kutztown Fire Company, responded immediately to the emergency, working diligently and swiftly around the clock to restore and maintain services and safety to Borough residents.

Cheers to clean water... The 2012 Filter Plant Performance Evaluation (FPPE) of the Borough’s Water Treatment Plant and our public water supply revealed no major problems again this year. Our FPPE achieved the highest grade of optimization in the Department of Environmental Protection rating system, Commendable, and the Water Treatment Plant’s FPPE rated in the top fourteenth percentile.
